

How it all works

Once you have purchased your voucher and you are ready to book your lesson.

You can either email or phone with your preferred date, (info@sbkites.co.uk or 07706445145)

Once the date is confirmed you will need to phone us three days prior to the date of the lesson to confirm that the weather right for the day.

There is a hot food stall on site that is open daily in the summer, and at weekends in the winter

Please note :

Gift vouchers are not transferrable and as such cannot be sold on to third parties. Gift vouchers are valid for one year from date of purchase and are individually coded for each recipient.

(Your course fees include the hire of all equipment and insurance.)
